

SESSION 2010

ÉPREUVE D'ANGLAIS

Lisez attentivement les instructions suivantes avant de vous mettre au travail :

Chaque question comporte quatre propositions, notées **A. B. C. D.** Pour chaque proposition, vous devez signaler si elle est vraie en l'indiquant sur la grille de réponses en marquant la case sous la lettre V ; ou fausse en l'indiquant sur la grille de réponses en marquant la case sous la lettre F. Une réponse est donc une suite de quatre marques V ou F.

Exemples :

3	A	<input checked="" type="radio"/>	V	<input type="radio"/>	F
	B	<input type="radio"/>		<input checked="" type="radio"/>	
	C	<input type="radio"/>		<input checked="" type="radio"/>	
	D	<input checked="" type="radio"/>		<input type="radio"/>	
4	A	<input checked="" type="radio"/>	V	<input type="radio"/>	F
	B	<input checked="" type="radio"/>		<input type="radio"/>	
	C	<input checked="" type="radio"/>		<input type="radio"/>	
	D	<input checked="" type="radio"/>		<input type="radio"/>	
5	A	<input type="radio"/>	V	<input checked="" type="radio"/>	F
	B	<input type="radio"/>		<input checked="" type="radio"/>	
	C	<input type="radio"/>		<input checked="" type="radio"/>	
	D	<input type="radio"/>		<input checked="" type="radio"/>	
6	A	<input type="radio"/>	V	<input checked="" type="radio"/>	F
	B	<input checked="" type="radio"/>		<input type="radio"/>	
	C	<input type="radio"/>		<input checked="" type="radio"/>	
	D	<input type="radio"/>		<input checked="" type="radio"/>	

ATTENTION :

- la mauvaise marque (V, F) à une proposition entraîne des points négatifs
- l'absence de marque (V, F) à une proposition n'entraîne pas de points négatifs.

Vous vous servirez de la feuille jointe pour indiquer vos réponses en noircissant les cases situées à côté des lettres correspondantes.

An Instinct to Acquire an Art

Language is so tightly woven into human experience that it is **51)**..... possible to imagine life without it. In our social relations, **52)**..... race is not to the swift but to the verbal – the silver-tongued seducer, the persuasive child who wins the battle of **53)**..... against a brawnier parent. **54)**..... is truly arresting **55)**..... our kind is better captured in the story of the Tower of Babel, in which humanity, speaking a single language, came so close to reaching **56)**..... that God himself felt threatened. A common language **57)**..... the members of a community into an information-sharing network with formidable collective powers. Anyone can benefit from the **58)**..... of genius and lucky accidents, accumulated by **59)**..... else, present or past. As a result, *Homo sapiens* is **60)**..... species, like blue-green algae and earthworms, that has wrought far-reaching changes on the planet. Now we know that language **61)**..... thought and that grammatical sophistication **62)**..... be nurtured in schools, but sagging educational standards and the debasement of popular culture have led to a frightening decline in the ability of the average person to construct a grammatical sentence. English is a zany, **63)**..... tongue, in which one drives **64)**..... a parkway and parks **65)**..... a driveway, plays at a recital and recites at a play.

READING COMPREHENSION

Sense of direction still lacking after EU accession

Romania already fulfils three of five Maastricht criteria and has set 2014 as an indicative target date to join the euro-zone. However, development is uneven. Economic growth is fuelled by household consumption, based on a combination of rising wages – which are outstripping productivity gains – and a credit boom. This has stimulated imports. The current account deficit has widened from 5 per cent of GDP in 2002 to 14.2 per cent in 2007. It would have been around 20 per cent had it not been for foreign remittances. The current account deficit is increasingly being financed by private debt, which has tripled over the past three years. About 40 per cent of the recent inflows of foreign investment are in fact intra-company loans – which are more likely to be debt creating. Most foreign investment in recent years has come in to retail, real estate and banking – sectors that stimulate consumption. Pockets of unemployment co-exist with areas of labour shortage, poverty is to be found alongside islands of wealth, and public money is wasted while public services are under-financed. The budget deficit, forecast by the European Commission to exceed 3 per cent of GDP in 2008, must be reduced. But there is still potential for sustainable growth, as long as fiscal and budgetary policies are reformed. High rates of growth in gross domestic product, an increasing share of fixed capital formation and large inflows of foreign direct investment point to an economy catching up European norms.

From the *Financial Times*, March 7, 2008

Cakes and Ale

Than Roy no one could show a more genuine cordiality to a fellow novelist whose name was on everybody's lips, but no one could more genially turn a cold shoulder on him when idleness, failure, or someone else's success had cast a shade on his notoriety. The writer has his ups and downs, and I was but too conscious that at the moment I was not in the public eye. It was obvious that I might have found excuses without affront to refuse Roy's invitation, though he was a determined fellow and if he was resolved for purposes of his own to see me, I well knew that nothing short of a downright 'go to hell' would check his persistence; but I was beset by curiosity. Roy's talent, like the wise man's daily dose of Bemax, might have gone into a heaped-up tablespoon. When he heard that, for Thomas Carlyle, genius was an infinite capacity for taking pains, he pondered the saying. He concluded with a sigh that no one who for years had observed his indefatigable industry could deny that at all events he deserved to be a genius. Roy sent his first novel to all the leading writers of the day. Deprecatingly, fully conscious of his audacity in asking so busy a man to waste his time on a neophyte's puny effort, he begged for criticism and guidance. Few of the replies were perfunctory. The authors he wrote to, flattered by his praise, answered at length. Later they realized their mistake. But when they say that he is swollen-headed, they err.
